

At WeVoi, we take child protection very seriously. You are reading this because a young person (The terms 'child' or 'children used below describe any person under the age of 18) would like permission to create a video footage he/she is submitting for WeVoi Competition. More information about the competition can be found at: www.wevoi.org

In accordance with our child protection policy, we will not permit photographs, videos or other images of young people to be taken without the consent of the parents (or carers) and the child.

WeVoi will take all steps to ensure photographs and videos of the participants are used solely for the purposes they are intended for. If you become aware that these images are used inappropriately, you should inform WeVoi immediately.
