

STEP INTO WEVOI:

A Quick Guide to Accounts and Video Uploads

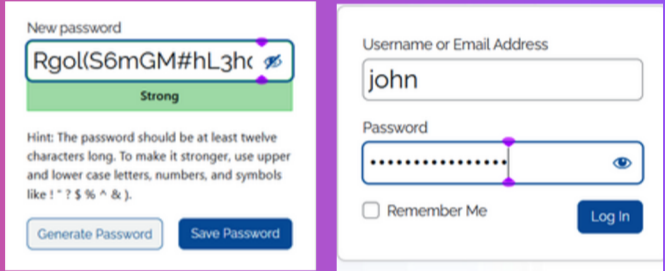

1. Search for "**www.wevoi.org**" in your browser. Click the "Sign IN/UP" button on the homepage to begin the registration process.

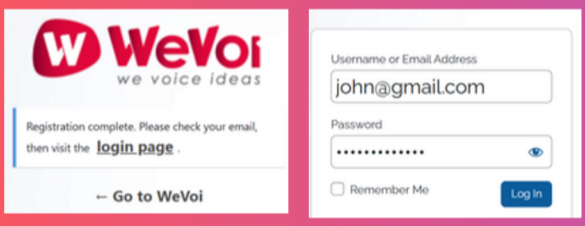

2. Fill out the form. Ensure your email is valid for verification.

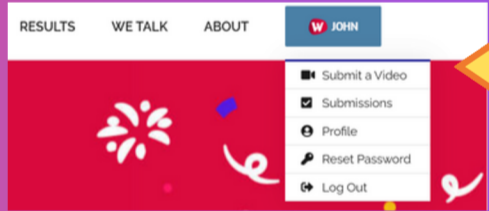

3. Check your inbox for the WeVoi email, then click the verification link to activate your account. Click on the "Set Your Password."

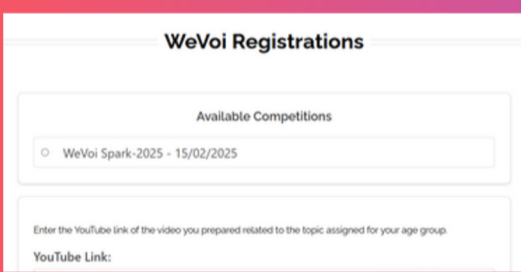

4. Create a secure password or use the "Generate Password" option, then click "Save Password."

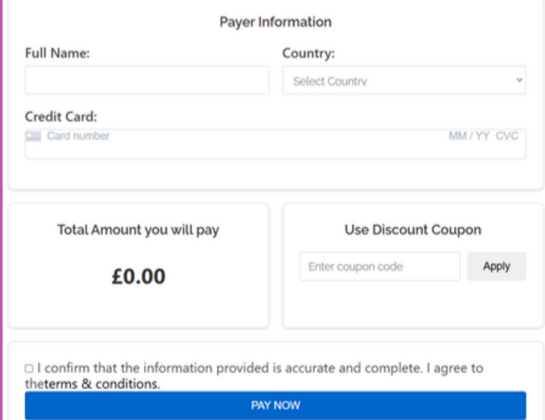

5. Log In: Use your email and password to log in to your dashboard.

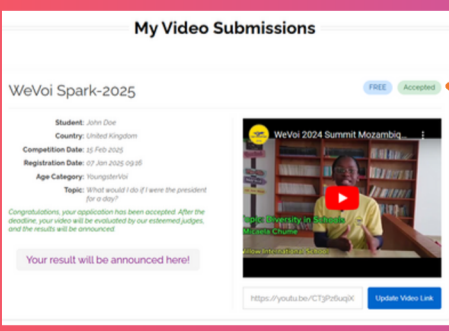

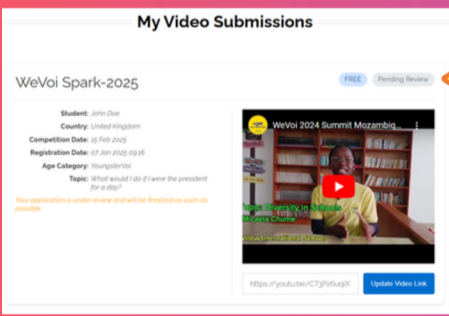

6. Click your profile icon to access options like "Submit a Video," "Submissions," and "Profile."

7. Go to the "Submissions" page, select a competition (e.g., "WeVoi Spark-2025"), and fill out the registration form.

8. Enter your payment details, and click "Pay Now."

9. Review your submission on the "Submissions" section and ensure all details are correct.
